Sub: Authority Letter

Very sadly we let you know that this school's old building which was built in 2003 B.S. with initiation and under leadership of your father has been completely damaged with the devastating and powerful earthquake occurred on 25th April, 2015 and aftershocks. The school has been continuously receiving your guidance and contribution for the development of the school. In recognition to your contribution, guidance and assistance the school very happily had nominated you as the Chief Patron of the school.

As the Chief Patron of the school, the school requests and authorizes you to be the Chief Fundraiser to contact Nepal government, NGO, INGO and different institution and individuals from within and outside the county for raising assistance and donation for reconstruction of the damaged building of the school.
